*Access a Wealthy Life*

OVERCOMING ABUNDANCE 2009

**Have you ever noticed how we never seem to have enough money to do what we want because we are always making ends meet?**

**Have you also noticed that we get so caught up in the business of living that we never really get to live the life we set out to create?**

**Have you ever wondered how some people seem to be so abundant?**

### OVERCOMING ABUNDANCE

Ultimate  
Performance  
Consulting™

Are you Abundant? What have you noticed about the way you use your resources? Is there something about abundance that seems to elude you?

Things are different. The world we grew up in has become incredibly abundant. Did you notice the change? Do you have the facility to access the constant flow of abundance passing you by?

People who are able to adapt to and create abundance clearly have an advantage over those who are unable to manifest it. So what is the difference? What is the secret?

Leaders and Managers in any organisation who have the ability to create abundance within their business and personal worlds will ultimately create and live incredible lives. Abundance of health, wealth and happiness.

How useful would it be to your organisation, and your personal life if you were able to create abundance simply and easily?

We all have a base set of skills that we use to deal with life but unless we actively seek to equip ourselves with practical new skills and strategies, we are not able to enjoy the abundance that surrounds us.

### SKILLS COVERED

- Abundance IS Everything
- The Function of Will
- How Much is Enough

Included is some insight on how Andreas turned his hand-me-down upbringing into a life filled with adventure and abundance. A life which provided an opportunity to ride his handcycle 16,000km around Australia on a world record breaking 1 year journey.
